**DURATION:** Full-time (Monday – Friday, No weekends or Call)  
**SALARY/WAGE:** To be determined based on experience

**LOCATION:** Internal Medicine Associates of Windsor 2464 Howard Avenue, Suite 202, Windsor ON

The City of Windsor is known as the international gateway between Canada and the USA. It has the fourth most culturally diverse population in Canada. Windsor is Canada's southernmost city and has a mild climate. The city is surrounded by three bodies of water - Lake Erie, Lake St. Clair, and the Detroit River - and temperatures are moderate in the winter and reach into the thirties in the summer. Those who enjoy the outdoors will appreciate Windsor's waterfront gardens, which stretch for several kilometers along the Detroit River. Enjoy our lush parks or attend concerts, fairs, and a wide variety of cultural shows and festivals.

**DESCRIPTION OF EMPLOYER:**

Dr. Saad's private General Internal Medicine practice is located in the Windsor Professional Centre near the center of Windsor and provides care for those in Windsor, Essex, Leamington, Chatham & Sarnia. Dr. Saad is a General Internist with clinical interests in cardiovascular disease, hematologic diseases, and thrombosis being a member of Thrombosis Canada. As well, he founded the Rapid Assessment And Management Program (RAAMP) with a goal to raise awareness for Cancer screening, early diagnosis, and post-cancer surveillance and follow-up.

Dr. Saad completed his medical degree in Ottawa and went on to do his residency and fellowship at the University of Toronto. He has been in clinical practice in Windsor for over 17 years and holds many professional appointments. Among them, Dr. Saad is the Chief of Staff and Vice President of Medical Affairs at Windsor Regional Hospital. He was previously the Chief of Medicine and Division Head for the Internal Medicine Department and Postgraduate Academic Director for the Schulich School of Medicine, Windsor.

Dr. Saad is an advocate and supports the Physician Assistant program. He currently employs 4 Physician Assistants that are integral members of our care team in both the General Internal Medicine Office and the RAAMP Clinic.

**POSITION SUMMARY:**

The Physician Assistant will be part of an inter-professional care team which works in collaboration with the Physician, other Physician Assistants and Nurse Practitioner.

The Physician Assistant will be responsible for seeing both consults and follow ups and performing histories, physical exams, and formulating diagnostic and treatment plans for each patient. The Physician Assistant should have a broad general medicine knowledge base with the focus on cancer-associated needs within our community. There are four branches to this program, which include, Rapid Referral Clinic, Routine Cancer Screening, Cancer Survivorship and Cancer Centre "Step Down".
