

Job description

Physician Assistant – Full Time (30 Hours/week) - Orillia, ON

As a Family Physician, I am seeking a Physician Assistant to join our team to assist a large roster of patients in addressing their healthcare needs. We are an energetic and committed team of professionals who have grown and matured for over fourteen years to become a vital part of our community.

We are looking for someone seeking out a long-term commitment to join our team of family caring for families. New grads are also welcome to apply and grow into our unique primary care practice. As I am committed to our community for many years to come, I would love to hear from any potentially interested candidates.

We invite applicants who are professional, motivated, ambitious, and looking for a fast-paced team environment. Our medical practice has a unique vision, “Innovative Partners in Care,” delivering care with an unprecedented office flow and a dynamic inter-disciplinary health care team. The role is ideal for someone with a vision to provide excellent and comprehensive health care in a team setting.

Responsibilities:

- Conduct patient assessments, including medical history, physical exams, and review of symptoms
- Order and interpret diagnostic tests and imaging to aid in diagnosis
- Develop and implement treatment plans under the supervision of a physician
- Prescribe medications and monitor the effectiveness of treatments
- Provide patient education on disease prevention and management
- Collaborate and communicate with other members of the healthcare team for optimal patient outcomes
- Participate in quality improvement initiatives
- Maintaining accurate and detailed electronic medical records

General Qualifications:

- Must possess strong written and oral communication, critical thinking, care coordination, time management and customer focused skills.
- Sound judgement, high-level organizational skills with proven experience with multi-tasking and prioritization
- Must be adaptable to change and committed to quality improvement initiatives
- Ability to work in a fast-paced and dynamic environment
- Proficiency in the use of computers and technology
- Experience with EMR systems - preferably Telus PS Suite
- Current (within 6 months) Vulnerable Position/Sector Screening (VPS).
- Knowledge of current medical practices and treatments

Position Requirements

- Under the direction and supervision of the Physician and in accordance with the College of Physicians and Surgeons of Ontario's policy on delegation, the Physician Assistant will provide medical care to patients based on mutually agreed upon guidelines.
- Graduation from an accredited Ontario Physician Assistant program (i.e PA- C, CCPA).
- **Must be** Certified as a Canadian Certified Physician Assistant (CCPA)
- Registered or qualified to register with the Canadian Association of Physician Assistants

Benefits/Pay/Schedule

- We are joining HOOPP this year
- Benefits available after 3 months probationary period
- Paid Parking
- Pay: \$67.02-\$75.48 per hour
- Schedule
 - Day shifts
 - Monday to Friday but with the opportunity to earn extra income working with Dr. Dharssi's inpatients some weekends.
 - We currently offer all clinicians a four-day work week

Work Location: In person – Orillia, Ontario Expected start date: 2024-08-12
