Horizon Health Network has an immediate opportunity for a permanent full-time Physician Assistant in Fredericton, New Brunswick. The position is in the Emergency Room at the Dr. Everett Chalmers Regional Hospital (DECRH). The DECRH serves a population of approximately 166,000. The ER averages 45,000 patient visits a year encompassing all CTAS Levels and has 24 hour in house ER Physician coverage.

The Physician Assistant (PA) will be assigned to a Primary Supervising physician and will work with other Clinical Supervising Physicians as determined by the Primary Supervising Physician. The PA will function as part of an interdisciplinary team and will engage in patient assessments, diagnostic workup, procedures and management as determined by the Canadian Association of Physician Assistants Scope of Practice and National Competency Profile and the supervising physician. The degree of supervision and practice will be a product of the assessment of competency of the PA by the Physician and in accordance with existing regulation of Physician Assistants by the College of Physicians and Surgeons of New Brunswick.

A Primary Supervising Physician/PA Agreement will be signed to state and acknowledge the responsibilities of the Primary Supervising Physician, the PA and the Regional Health Authority.

Working in the Emergency Department will require the acceptance of and the flexibility to accommodate shift work as scheduled by the Physician Supervisor.
