The Winnipeg Regional Health Authority (WRHA) is accepting applications for a Physician Assistant (PA) at the Mental Health Crisis Response Centre. The Mental Health Crisis Response Centre is a centre of excellence for mental health crisis, working in a collaborative model with mental health crisis workers, psychiatric nurses and psychiatrists. The CRC is unique in Canada as a 24-hour, 7 day per week community based centre integrated into the Winnipeg Regional Health Authority Mental Health Program.

The role of the Physician Assistant would be to perform mental health assessment and treatment under the guidance of the on-site/on-call psychiatrist and to medically screen patients to ensure there is no acute medical need.

Qualifications: A degree from an accredited PA program and Canadian or US certification through PACCC or NCCPA. Candidate must be eligible for licensure with the College of Physicians and Surgeons of Manitoba as a Physician Assistant. Must be eligible for a medical staff appointment with the WRHA.

Expected salary range from 75,000 – 110,000. This is a full-time, permanent position that involves shifts, including weekends.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. We thank all applicants for their interest. Only those selected for further consideration will be contacted.

Applications can be sent to:
