PHYSICIAN ASSISTANT THORACIC SURGERY

Health Sciences Center
Winnipeg, MB.

DESCRIPTION

The Thoracic Surgery Program is seeking a motivated Physician Assistant to join their team. The program is responsible for inpatient thoracic surgical care at Health Sciences Centre and provides consultation services in all other Winnipeg Regional Health Authority (WRHA) hospital facilities. This patient population is derived primarily from Manitoba, Nunavut and Northwestern Ontario.

The Thoracic Surgery Inpatient Service is located at Health Sciences Centre (HSC). Post-operative patients are cared for in the Surgical Intensive Care Unit (SICU), A3 SDU, GH6, GA3 and other surgical wards. Hospital medical care is provided by surgeons, residents, Nurse Clinicians and shortly Physician Assistants (PA). Post-operative patients and new patients are also seen in the thoracic surgery clinics.

QUALIFICATIONS

- Must be eligible for licensure with the College of Physicians and Surgeons of Manitoba as a PHYSICIAN ASSISTANT
- Candidates must be a graduate of an accredited Physician Assistant educational program and eligible for national certification
- Must be eligible for a Medical Staff Appointment with the WRHA
- Prior experience in the area of thoracic surgery preferred

This position is subject to a Criminal Record Check. The successful candidate will be responsible for any service charges incurred.

Interviewed candidates may be called upon to participate in a skills assessment and/or to provide evidence of educational achievements.

Any application/resume received after the deadline closing date will be marked late and not included in the competition.

Apply directly to the WRHA website www.wrha.mb.ca/careers
