Dear Mr. Ralph and Ms. McKay:

Thank you very much for your recent letter on behalf of the Canadian Association of Physician Assistants. It was a pleasure to hear from you. I appreciate being kept apprised of your organization's initiatives.

Like you, our government is committed to putting patients first. We will continue to build the strongest and most innovative health care system in the world so that hospitals and research institutions keep setting international standards and saving innumerable lives.

I value the vital work of physician assistants and commend the great work of your organization in supporting these medical professionals. My colleagues and I look forward to continuing to work with you and all our partners in ensuring timely, high-quality care for Ontario patients.

Once again, thank you for your letter. As I know it will also interest my colleague the Honourable Deb Matthews, Minister of Health and Long-Term Care, I have passed along a copy to her for her information and consideration.

Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads 'Kathleen Wynne'.
