Dear Mr. Rhule:

I am in receipt of your letter of August 21, 2014, regarding your request to have November 27, 2014, proclaimed as National Physician Assistant Day in Alberta. I appreciate the opportunity to respond.

The Government of Alberta does not make proclamations regarding special days, weeks or months due to the significant volume of requests received. There is, however, an opportunity for Members of the Legislative Assembly to make Members' Statements when the Legislature is in Session. Please contact Mr. Mark Toews, Director of Operations, in my office, at 780-427-3665, to make arrangements for a statement to be made in recognition of physician assistants during the upcoming legislative session, which commences on November 17, 2014.

Thank you for writing.

Sincerely,

Stephen Mandel
Minister of Health
