CREATING OPPORTUNITIES, DELIVERING SAVINGS

Membership with CAPA offers you many benefits that will help you discover exciting new opportunities and significant savings; both professionally and personally.

WE CREATE OPPORTUNITIES THROUGH OUR ADVOCACY

CAPA is working on your behalf to advance the profession in Canada. This advocacy work is providing security, growing opportunities and increasing jobs for Canada's PAs.

"Thanks to the efforts of CAPA in helping to facilitate the Demonstration Project in Alberta, I am now practicing in a small community in Milk River, AB where I see a diverse and challenging patient population. I am able to focus more on the medical side of things as opposed to the administrative side and I am able to spend more time with my family."

"My CAPA membership provides me with valuable CPD such as the JAAPA and a discounted rate for the annual CAPA conference. This enables me to attain my annual minimum requirements within a PA specific environment as well as the opportunity to network with my peers."
