

### Confirmation of Retired or No longer practicing status

Are you retired, about to become fully retired or no longer practicing as a Physician Assistant?

Please complete and return this electronic form. As a retired CCPA, you retain the use of your certification designation and can remain a member of the Canadian Association of Physician Assistants by renewing as a Retired PA member (membership is not mandatory).

Should you return to practice, please let us know and we would be happy to assist you with changing your membership category (*note: Regular and Sustained members **MUST** participate in the Maintenance of Certification program and pay the appropriate annual dues*).

### Declaration of Retired Status

By submitting this form, I declare that I am **retired** (or will be retired within the next three months) from all medical or health-related professional activities, or no longer practicing as a Physician Assistant. **Where applicable, I declare that I no longer carry a license to practice through a provincial/territorial Medical Regulatory Authority.**

I am not working part-time

Effective date of retirement (dd/mm/yyyy) \*:  /  /  

### Retired PA member category:

Retired PA member is hereby defined as a Physician Assistant who no longer wishes to maintain their Canadian Certified Physician Assistant designation who has wholly or substantially ceased to be engaged in paid employment or self-employment. The term of membership of a Retired PA Member will be annual, subject to:

- payment of all dues and fees
- renewal in accordance with the membership and governance policies of the Association as adopted and recorded by resolution of the board.

Subject to the Act, a Retired Member shall be entitled to the privilege of the floor, to receive notice of and attend all meetings of members, will be entitled to all benefits and privileges of membership, and each such member shall be entitled to one (1) vote at such meetings. Retired members shall not be entitled to hold office.

### Benefits:

- Retired Pas are entitled to use the **CCPA-Retired** designation,
- Are entitled to all benefits of membership
- Are entitled to vote at the annual members' meeting
- are not required to participate in the Maintenance of Certification program

### Please note:

Although retired CCPAs are not required to participate in the MOC Program, you will continue to have access to MAINPORT and given a retirement MOC cycle. If you return to practice and your CAPA membership status is changed back to active (Regular or Sustained) within one year, your MOC cycle will continue from its original start date. If you return to practice later than one year, you will be given a new active MOC Cycle, which will start on the date you return as an active CAPA member.
